FOREWORD...

Yet much remains to conquer still; peace hath her victories no less renown'd than war—

The war years are over; yet remains a world divided by conflict in ideologies. We must prepare ourselves for our place in this idea torn world. Of the greatest importance to all of us is our heritage as American citizens, the right to vote. In order to vote intelligently, we must be well-educated in all fields. Those of us attending the higher institutions of learning will ensure our heritage by added understanding of cultures and governments, and those who are entering the field of business immediately will enrich their education by meeting other people and by observing closely the happenings of state and nation. In this, the second year after victory, we can envision our future. We who are planning to attend universities and colleges need not interrupt our scholastic careers with service in our armed forces, and those entering business will with renewed security build foundations for the future. Let us now prepare ourselves by increasing our knowledge of the American way so that as we become the leaders of tomorrow, our background in the American tradition will be indelibly engraved on our minds. As we are planning for the future, so should we lay away remembrances of youth. With this fact in mind, we of the 1947 ACORN have tried to compile an annual that will in later years bring back the joy and pleasure that is our youth.

DEDICATION

DR. GEORGE C. THOMPSON

Principal Alameda High School

1904 - 1939

In Memoriam

*Let those of us who down the years have felt
The touch of Dr. Thompson on our lives
And have been better men and women for it
Attest his right proudly to say with Horace:*

Exegi monumentum aere perennius
regalique situ pyramidum altius,
quod non imber edax, non Aquilo impotens
possit diruere aut innumerabilis
annorum series et fuga temporum.
Non omnis moriar.

Carmina: 3, 30

*Now have I reared a monument more durable than brass,
And one that doth the royal scale of pyramids surpass,
Nor shall defeated Aquilo destroy, nor soaking rain,
Nor yet the countless tide of years, nor seasons in their train.
Not all of me shall die.*

Translation by William Ewart Gladstone

MR. BRYAN'S

My message this year is one of thanks and appreciation to all of the students and faculty members who have made this a banner year for Alameda High School. We started out in September with a large enrollment and in a very short time the financial secretary was able to announce that the school was one hundred per cent in student body memberships. That announcement was important because it meant that all were working as a unit for the welfare of the school. It meant that the students had confidence in their elected officers.

Our first football games demonstrated that we had an outstanding team and that the students were solidly behind it. Our rooters attended the games in large numbers, had lots of fun, gave the team the necessary inspiration, and, what is most important, conducted themselves exceptionally well. We received numerous compliments from the other A.C.A.L. schools concerning our spirit and our conduct at the games. The basketball season, which resulted in a championship, gave us further opportunity to demonstrate our loyalty and enthusiasm in a sportsman-like manner. I congratulate the teams and thank the students and faculty members who helped to make the football and basketball seasons so successful. My congratulations are also extended to the teams which are just starting their league competition as this is written.

The student body officers all worked hard to secure the very best talent that was obtainable for student meetings. The Administrative Board used good judgment in handling the funds of the school and in supplying the teams with new equip-

ment. New football uniforms, new basketball uniforms, and new baseball uniforms were purchased at a cost of more than three thousand dollars. Another worthwhile investment is the new 16mm moving picture camera, which enables us to keep a valuable pictorial record of our athletic activities.

The two Boards of Control have served efficiently and well in handling meetings and in helping to solve the traffic congestion in the hallways and on the stairs. They deserve and receive our sincere thanks.

The student body officers for the spring semester are carrying forward the fine work of their predecessors and are reaching out for new goals. The Service Council under the leadership of the President of the Associated Students is creating for us a vast storehouse of good will among the merchants of Park Street. I especially want to commend them for their work and to thank the students who are cooperating with them.

Excellent service has been given the school by our bands, our orchestras, our glee clubs, our choir, our dramatic groups, our auditorium staff, our *Oak Leaf* staff and our ACORN staff. The classes and the clubs, the Girls' Association and the Men's Association, the athletic groups, and the scholarship societies have all contributed to making this a happy and successful year.

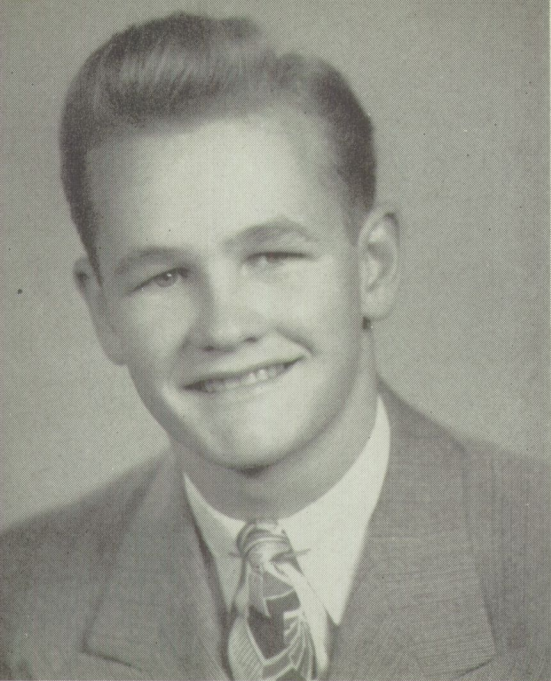

Let us all continue to work to make our school a better school so that we can speak of Alameda High School with pride at all times.

To Miss Brosnan, faculty adviser, Bradley Wyatt, editor, Jim Lennox, business manager, and to the ACORN Staff, I extend my thanks and appreciation for handling the difficult task of producing the 1947 ACORN.

Your representatives for Fall '46
If I say so myself, were quite a nice mix.

Don and Bimbo planned lots of good
meetings,
And many good speakers paid us their
greetings:

Armand Gerard and fellows like him,
including Mr. Wetmore from the Key
System.

Bob got his dues in a skip and a hop,
And even a rate at Leo's Toy Shop.

The monotony of 100 per cent minutes
was broken,
But the dance that Dick managed was
good. (That's no jokin!)

Paul and his gang led the songs and the
yells,
And we tried everything but "Jingly
Bells."

Our thanks to the Student-Faculty
Committee;

The advice that they gave was the best in
the city.

The same to the Ad Board who spent all
our dollars,
Bought football equipment and things
for the scholars.

Each of the members of the Boards of
Control
Kept watchful vigilance like a keen-eyed
mole.

And we're truly most grateful—no if's and
no but's—
For the hearty assistance of all you
stewed nuts.

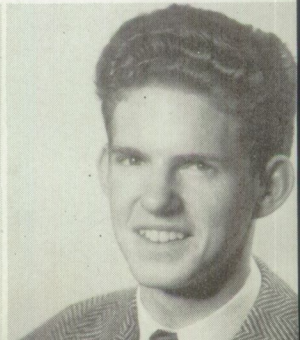

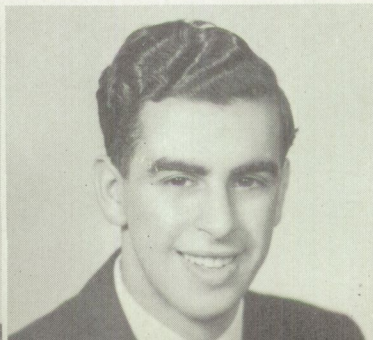

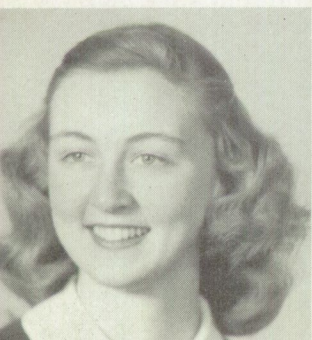

Respectfully submitted,

<i>Financial Secretary</i>	LES SACHS
<i>Yell Leader</i>	KEITH HAROLD

The spring term of 1947 was no doubt one of the most outstanding semesters in A.H.S. history. With the top quality leadership of President Bob Baronian, always striving to his utmost to bring the student body an unparalleled term, we have had a most successful semester. Vice President Virginia Gerke, an inspiring figure at our meetings, has taken a large part in our student meetings, and has assisted President Baronian immeasurably. Recording Secretary Terry Reed has conscientiously filled the duties of his office. Financial Secretary Les Sachs has set an unbelievable mark in achieving 100 per cent student dues within the first month, and in procuring numerous new student rates. Yell Leader Keith Harold's sparkling personality and untiring energy added greatly to each meeting.

We were indeed fortunate in having a wide variety of excellent entertainment, the more outstanding being Mr. Johnny O'Brien, the Pomona Glee Club, and our annual student talent show.

Through the Ad Board, the Student Faculty Committee, the Men's and Women's Boards of Control, this semester has been a most successful one. As we have discovered at the Alameda County High School conclave at Albany, Alameda High School ranks tops in the Bay area. On behalf of the administration I wish to thank each member of the student body for his fine cooperation shown during this administration.

Una destinatio, viae diversae . . . for four years we have traveled the many ways, searching for that one destination. Today we have reached our goal: graduation is around the corner. How did our class accomplish this task? The evidence follows:

We have given a number of eminently successful events. During our freshman year we gave our Election Dansant with which we obtained a good start in financial affairs; then we gave the Hop Scotch Hop, which provided fun and a pleasant evening for everyone there. During our junior year we gave the Cinderella Prom, which was a great success, largely because of the efforts and originality of the manager and co-manager, Bill Thompson and Peggy Etherton; then we presented our senior play, "What a Life," a light comedy, produced under the direction of Miss Marian Los Kamp. Those who attended enjoyed the play and appreciated the work done by Rudy Multz and Jean McIntosh in the leading roles, as well as the fine support furnished by Lois Riley, Brad Wyatt, Dick Jennings, Gordon Floyd, Dean Berg, Nancy Etherton, Bob Baronian, Gadgie Hicks, Jack Shrieber, Jim Cundall, and Patty Miller.

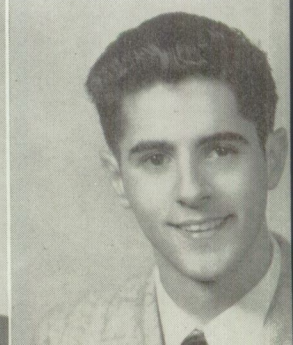

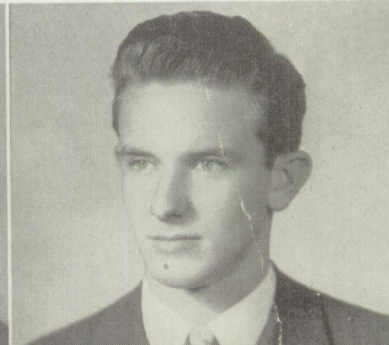

A number of our members have become well known throughout the school. Bob Baronian, Virginia Gerke, and Keith "Tiger" Harold were president, vice president, and yell leader respectively of our student body. Rudy Multz and Nancy

Etherton have shown their dramatic talents; Gadgie Hicks has distinguished herself in art. George Lagorio earned block letters in football and baseball; Jack Spangler earned block letters in football and basketball; Bill Thompson and Clarence Doyle were chosen All-County in basketball. Pauline Hahn, Patty Miller, Barbara Norris, Nancy Etherton, Lois Riley, Marion Ghiselli, Gerry Stone, Betty Pryor, Norah Johnston, Norma Stromberg, Dot Dickens, and Marie Glasse were R.O.T.C. Sponsors.

We had a grand time here, but we also studied. Seventeen members of a class of 300 are life members of the C.S.F., and a large number are members of the Star and Key Society. Honors go to Alice Roemer and Nancy Etherton, our valedictorians.

To our faculty advisers and to our other teachers as well as to Mrs. Hall and Mr. Bryan should go the credit and the praise for our success. This small group of people has given its fullest cooperation in all matters which concerned us and our activities. Throughout the entire four years they did not once refuse to help us when we asked their advice or requested their aid in some class activity. And now, to all, we leave our best wishes and fond farewell.

DON SPRENKEL

CLASS OF

OFFICERS—Fall, 1946

<i>President</i>	DON SPRENKEL
<i>Vice President</i>	JACKIE GARCIA
<i>Recording Secretary</i>	MARILYN MARTIN
<i>Financial Secretary</i>	AVICE HOPPS
<i>Yell Leader</i>	CYNTHIA COTGIA
<i>Administrative Board</i>	JACKIE GARCIA
<i>Administrative Board</i>	GEORGE KELL

We, the class of February, 1948, were once bewildered freshmen, roaming through the halls in search of an elevator and being sent hither and yon by unfeeling upper classmen.

As our first money making project we presented a noon dansant with Russ Rabenau, manager, and Eddie Leal, co-manager. It was a huge success both financially and socially.

In our sophomore year we gained a little confidence and began "ribbing" the timid freshmen. When we were high sophomores, we presented the "ATOMIC HOP," capably managed by Art Alwen and Donna Pawlasek.

Our great venture came when we were upper classmen. In our 3B term we presented the "FLAMINGO" Prom under the management of Frank Stafford and Barbara Fisher. It was a success and added a tiny sum to our treasury.

Recording Secretary	BARBARA GHISELLI
Cell Leader	BARBARA FISHER
Administrative Board	PEGGY PEARSON
Administrative Board	FRANK STAFFORD

RICHARD OSORIO

On the twenty-first and twenty-second of March we presented the best senior play ever given: "CAPTAIN APPLEJACK." Among the leading characters were Ruth Ferrari, Marilyn Martin, Dana Manser and Eddie Leal.

In sports we were well represented: James Updegraff, Richard Osorio, Russ Rabeneau, Frank Nereu, and John Dronkers in football; Harry Wetherald in basketball; Dana Manser and Richard Osorio in track.

At this time we should like to express our appreciation to our class advisers.

Next term we are looking forward to many happy and exciting events.

APPRECIATIONS . . .

The ACORN staff wishes to acknowledge its indebtedness and gratitude to the following people for the willingness with which they helped us complete this book:

Mr. Bryan, who was always ready to help.

Miss Era Chamberlin and Miss Edith Gamble, who most generously contributed their time and labor that we might have a dedication worthy of Dr. Thompson.

Mr. Bell, who organized the lower classmen for pictures.

Mr. Smith of the Oakland National Engraving Company for his help with the photographic layouts and for the fine job of photoengraving.

Mr. Hooper and the Hooper Printing Company for the excellent job of printing.

Mr. Edwards of the Bay View Studios for the good job on senior portraits.

Mr. Piatt of Piatt Studios, who worked patiently with the group pictures.

Mr. Bushman and the Bushman-Risen Company for the beautiful cover.

Miss Edna Reichmuth, who smiled understandingly despite all our demands upon her time, her property, and her peace of mind.

Miss Mildred Hook, who obtained the picture of Dr. Thompson.

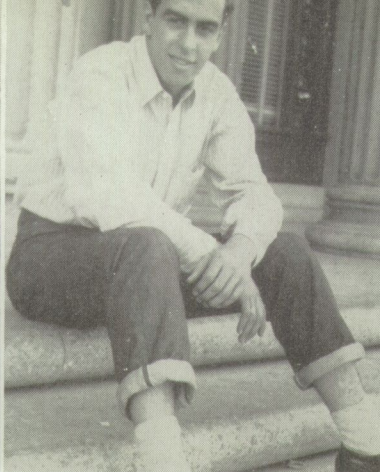

Mrs. Hall, Jean Baggett, Miss Powers, and Mr. Shriber for the details and records they gave us.

John Bonwell and Dale Koby who spent all their spare time taking pictures.

Those who contributed snapshots and suggestions.

Looking back on the past three years in Alameda High School, we, the class of June, 1948, have many reasons to be proud.

As we are one of the largest classes in the school, a great many members of the various varsity teams belong to our class. There is also much dramatic and musical talent among us.

We have been both socially and financially successful in all our past enterprises; and our Junior Prom, the "Arabian Fantasy," was, thanks to the capable management of Wally Rooks and Helen Mahoney, an event long to be remembered.

We are looking forward to an eventful and happy senior year.

Time marches on! We are now Low Juniors; and if you notice that we strut a little as we walk through the halls, it must be because we are proud of having reached the enviable status of upperclassmen.

In the fall term, when Rich Janusch was our president and Florence Dobson our vice president, we staged the "Tinsel Twirl." It was a beautiful dance and an enjoyable one, but the expenses ran high and our class treasury had to stand the burden.

Glenn Weller, who does those backflips in front of the rooting section with such careless ease, is our new president and Lenore Wilson, as vice president, is second in command.

Some of our other class members who are making names for themselves in school affairs are Barry Conner, Jack Copeland, Harry Howell, Rollin Jensen, Don Koch, Mel McCulloch, Joe Totorica, Dave Vickers, Dick Wuesthoff and such charming representatives of the gentler sex as Dorothy Abrams, Katherine Hollywood, Barbara Manbert, Shirley Martins, Marge Perata, Pat Sande, Coryl Shannon and Eleanor Wales.

After having successfully completed our freshman and sophomore years at Alameda High, we have shown and proved our high standards as students.

During our sophomore terms, our presidents, Ken Randall, and Warren Everson, have given us both successful and interesting meetings.

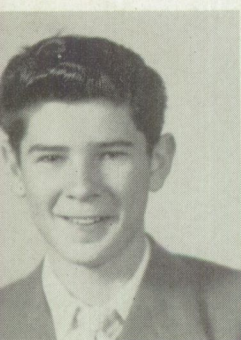

The movies we had this term really supported our treasury and helped the class of June '49 give the best Soph Hop Alameda High has ever known.

Under the spotlight of sports, Frank McElheinney and Tom Ginley have already helped us reach our peak.

Now that we have reached the halfway mark in our high school career, we have made our mark; and in the future we hope to have more social activities and bring forth more leaders in sports.

During the coming years, we hope to be able to maintain our high standards. We look forward to the brilliant future that awaits the class of June, 1949.

Just one year ago this spring, the class of 1950 entered Alameda High School.

We were filled with school spirit, and we gave our first class activity—our 1A movie. This activity being successful financially we followed by having two class meetings, both proving entertaining and worthwhile.

Although our class, as a whole, has yet to make a name for itself, we are proud of our many individual members who are making A records, who are going out for athletics, who are participating in the student body, and who are aiding Alameda High to keep up the high standards for which it has always been known.

Our only hope is that the class of 1950 will become very active in all the affairs of Alameda High and that our contributions to the welfare of our school will be both great and lasting.

The class of June, '50, came to Alameda High looking forward to a grand time and a successful four years.

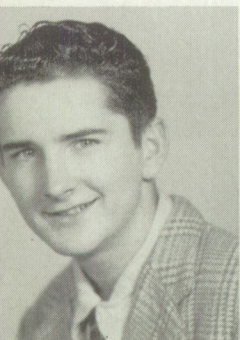

Our low freshman year, under the leadership of Dick Bartell, our president, went by very rapidly and we were soon high freshmen.

With Harold Cox as our president, the high freshman movie was successful, and so we had our first real activity.

During baseball season almost half of the B baseball team consisted of high freshman boys. We had three boys on the basketball team and several boys in track. We also had an encouraging turn out for football. The high freshman class has an unusually good turn out in all sports.

We plan to have a great number of activities and in this way make ourselves one of the leading classes of the school.

We, the class of Fall, 1951, have participated in laying the foundation of our goal; that is, one of the finest classes in Alameda High School.

We have held successful meetings, had students in school choral, sports, and many other activities.

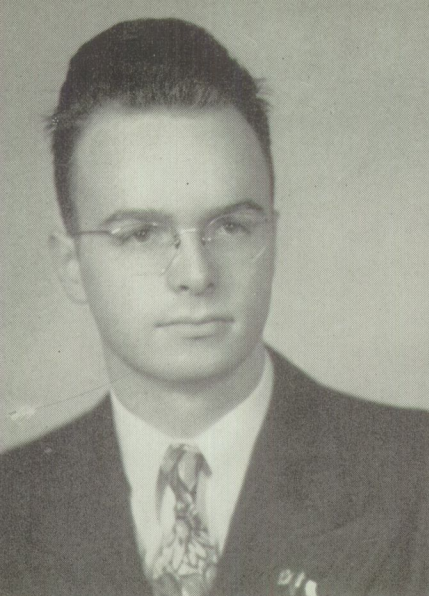

Mr. Larry Koehler has helped us a great deal as chairman of the 1A advisories, and we are very grateful to him for it.

Well, it's just natural, and we expect to keep it up, a class of good school spirit. So in the following years we will reach that goal—"There goes the best class to leave Alameda High."

As our table is finally cleared and the ACORN is on its way, we can sit back and enjoy life again.

We of the 1947 ACORN staff have worked extremely hard at our many tasks. Most of the credit, however, should go to Miss Brosnan who has pulled us out of many difficult situations. Under her able hands and with the splendid cooperation of the members of the staff, the book was assembled and sent on its way.

I want to thank the members of the staff who have put in many long hours preparing the book and also those students who are too numerous to mention who have contributed to the success of the ACORN. We hope that you, the readers, will derive as much joy from reading this annual as we have had in compiling it.

The hurried clack-clack of typewriters; the worried expressions of reporters who are trying to make deadlines; the harried attempts of editors to make five column inches of printed material fit into a four-inch column; the verbal battles between the editor and the business manager about whether or not a half-page advertisement is advisable or not; all these are only pieces of the puzzle that finally evolve into one issue of the *Oak Leaf*.

MISS LOS KAMP

The drama department got off to a brilliant start under the capable direction of its new head, Miss Marian Los Kamp.

The class of June, '47, presented a comedy about Henry Aldrich, "What a Life," with a cast including Jean McIntosh, Rudy Multz, Gadgie Hicks, Brad Wyatt, and Jim Cundall. Manager was Jim Lennox. The class of February, '48, presented "Captain Applejack," chief characters including Dana Mansur, Ruth Farrari, Marilyn Martin, and Eddie Leal. Frank Stafford managed.

Gilbert and Sullivan's "Mikado" was picked as the biennial operetta, the third time it had been chosen for production here. Leading players including Jerry Bohigian, Jack Simone, Marguerite Chapman, Jim Cundall, and Betty Priest.

The drama department collaborated with Mrs. Hazel Hunter and the music department to produce a beautiful Christmas Pageant.

The Men Who Back Our Teams

A vote of gratitude is due to these men who coach our teams and make them what they are. They are the ones who help mold a boy's character and help determine what he will be in later life.

Coach Frank Young left the school and was replaced by Chris Freeman, who has returned from the Navy.

Head coach is Louis Jolley, who is in charge of the track department. Coach Charles Socolfsky coaches football and B track; Coach "Hank" Jones takes care of basketball and tennis; baseball and B football are under the direction of Bob Carleton; Chris Freeman handles B basketball, golf, and B football; last but not least, Chet Millett coaches baseball and J. V. football.

When you think of the 1946 football team under "Soc" Socolofsky, remember their size and how well they did and give a cheer.

After a bad start with Piedmont, Alameda finished the remainder of the season without losing a game. The boys, almost all seniors, fought hard, turning in a fine season, one of which we can all be proud. Alameda placed six players on the honorary all-county team and two on the North Coast team. Len Ratto, Jack Spangler, and honorary captain George Lagorio were together on the all-county team. Phil Thormahlen, Dayton Foote, and Al Diaz were on the second team. Jack Spangler was the North Coast end, and George Lagorio received honorable mention for his work at quarterback.

Graduating seniors are Bob Braund, Jack Caton, Dan Cooper, Divo Dianda, Floyd Gregg, Leo Halverson, Keith Harold, Don Hiniker, Bill Lane, George Lagorio, Ray Lehmkuhl, Jack Perata, Ed Rexinger, Jack Simone, Jack Spangler, Ira Stogner, Leon Tager, Phil Thormahlen, Les Tomei, Gerald Warburton, and Don Watkins.

The team gave the grandstand a lot of excitement and worry last year causing pandemonium several times as they came from behind to win.

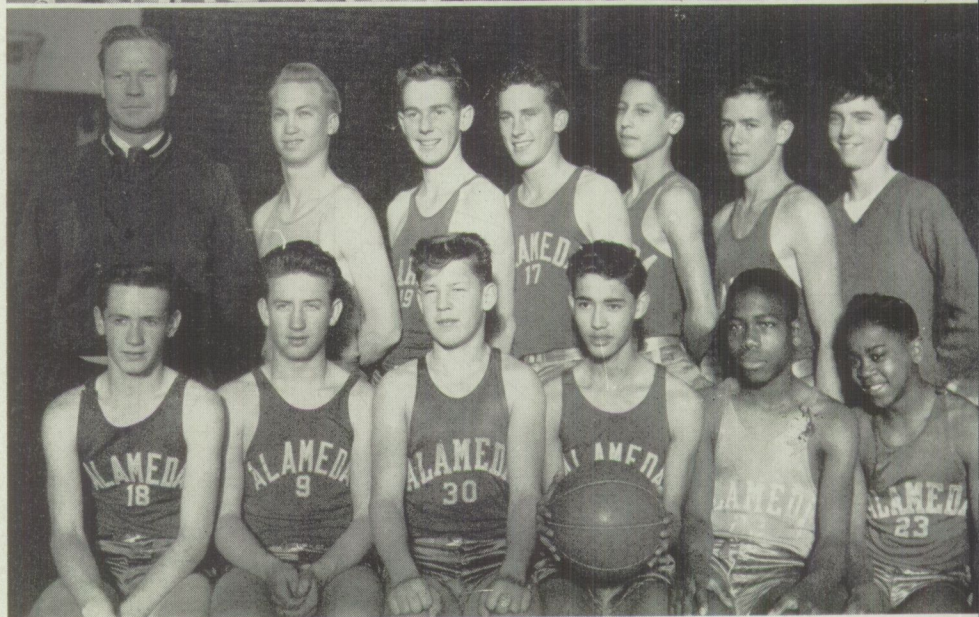

Those returning lettermen are Al Diaz, John Dronkers, Dayton Foote, George Marceline, Frank Nereu, and Len Ratto.

VARSITY

"B's"

BASKETBALL . . .

Featuring a fast-breaking offense, the varsity, under the direction of "Hank" Jones, turned in a very successful season capturing the A.C.A.L. title with eleven decisive victories and placing third in the all-high school tournament at the University of California. The team deserves a cheer for its fine work.

Bill Thompson and Clarence Doyle represented Alameda on the first string all-county team. Rich Gaxiola made second team, and Jack Spangler received honorable mention. Clarence Doyle also was elected to the all-Northern California

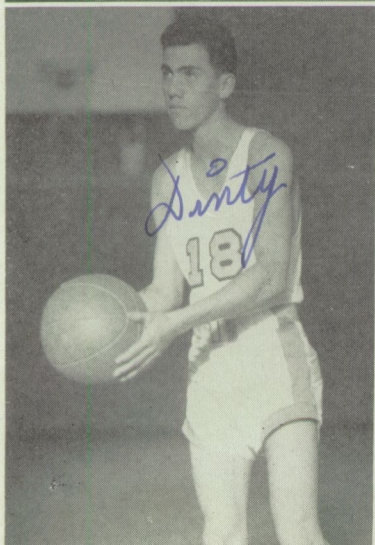

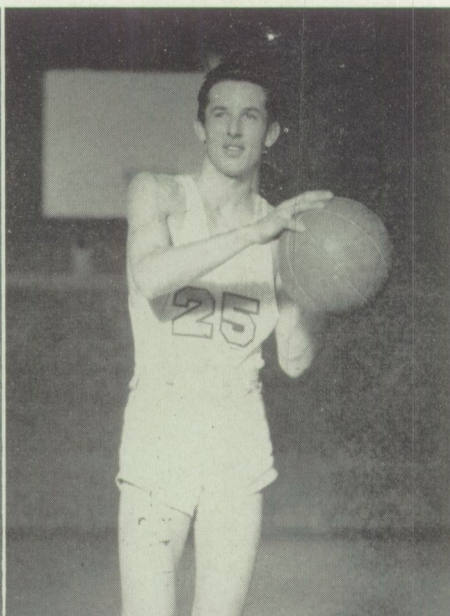

team. Bill Thompson was selected as one of the five most valuable players in the East-West game and made the first team at the Cal tournament.

While losing his valuable lettermen—Thompson, Boyle, and Spangler—to the cold, cruel world of post-graduation, Coach Jones will still have plenty of material with which to work next year and should produce a winning team again. Jack Foster, Rich Gaxiola, Tom Ginley, Gary Schweitzer, Al Belloumini, Howard Davis, Joe Mahoney, John Wall, and Jim Bird will all be back next year.

B's

Under the direction of Chris Freeman the B's gained in experience that is necessary to play varsity ball. The players are Greg Bessemer, Harvey Gamble, Warren Kennedy, Art Martinez, Dick Nelson, George Osorio, George Read, Richard Taylor, Jerry Watkins, Tom Williams, and Gene Hamilton.

BASEBALL . . .

Coach "Chet" Millett is turning out another fine baseball team. He has the material and the ability to capture the league title and walk away with all the honors.

After defeating Hayward in a close game, Alameda is tied with Berkeley in first place at the close of the first half of the season.

The team itself is outstanding. As a group the players are in the class of all-

county men. Individually, George Lagorio, Wally Souza, Chas. Smith, Jim Ortner, Gene Anthony, and Bob Brown are outstanding.

Six of the players will not be back next year, due to graduation. Coach Millett will have a lot of material to work with next year as the team is composed mostly of juniors. Seniors who will not return are George Lagorio, Charlie Smith, Wally Souza, Gene Anthony, Jim Ortner, and Gene Sirois.

The Junior Varsity is under the direction of Coach Millett and is also doing a good job to date. Next year it will be using its experience to beat the other teams and capture an A. C. A. L. title.

The players are "Chuck" Thomas, Dan Souza, Joyes Reedburg, Duane Hood, Toby Chavez, Andy Hexem, Ronnie Crooks, Lloyd Bolo, LeRoy Pope, John Beardsley, C. J. Pitts, Tuvoz Hill, Mel Dickinson, and Jim Bird.

Coach Bob Carlton is giving his time to the "B" baseball team to give them some of his knowledge and speed them on the way of being future stars. The "B's" are doing a good job and deserve a little credit too. The "B" team is made up of freshmen and sophomores and its players are "Chuck" Wing, Dave Souza, Bob Williams, Mickey O'Reilly, Bill Pendegrass, Stan Denton, Ronald Bargones, Gene Hamilton, Ray Bowman, Dave Pinkney, Jack Rodenborn, Frank Orrell, Roy Kirk, and Hiron McDaniel.

The players on the varsity and their positions are: Pitchers—Bob Brown, George Read and Dick Wuesthoff; Catchers—George Lagorio, Len Ratto and Bob Sutter; First Base—Ray Smith and Gene Anthony; Second Base—Charlie Smith and Yosh Yamamoto; Third Base—Owen Hand and Jerry Merritt; Shortstop—Wally Souza and Duane Louis; Left Field—Jim Ortner and Glen Read; Center Field—Wally Curlett and Ed Hanson; Right Field—Gene Sirois; Managers—Merle Gates and Phil Leslie.

The J. V.'s are under Coach Millett. These boys are mostly juniors with an occasional sophomore or freshman in the group. They too, have turned in a successful season and you should keep an eye on them; they are your next year's stars.

The players are Bruce Gardner, Dave Isenhardt, George Jones, Mel McCulloch, Jim Moore, Bob Myers, John Oswald, Bob Perona, Mario Ratto, Bob Sheldon, Cabin Simmons, Joe Totorica, George Updegraff, Jim Updegraff, Earl Vargas, Darrell Victor, Jerry Watkins, Don Ansel, Duane Louis, Gene Shofe, George Price, Bob Stanley, Bob Rowen, Russ Rabeneau (captain), Richard Osorio, Dave Henderson, Yosh Yamamoto, and Phil Leslie.

The "B's", with "Chris" Freeman coaching, and Bob Carlton assisting, gained the "know how" necessary to play football and showed quite a bit of promise. The "B's" are always the underdog and always have to meet heavier odds.

TRACK . . .

The track team under the direction of Coach Jolley is not having a good year because the majority of the team is composed of sophomores. They are putting up a valiant struggle, but lack the necessary experience. Following are the members of the Varsity and some of their events:

100 yard dash—Dan Cooper and Paul Kappa, who also runs the 220 with George Hinz. Darrel Victor and Calvin Simmons run the 440. Ernest Fagnani and Dale Sharp do the 880. Larry Vargas, Rowland Paris, and Herbert Andrew all run the mile. Gerald Warburton and Dave Chapman leap the low hurdles. Ted Hanson

and Selden Spangler go over the high hurdles. Leo Halverson and Ira Stogner put the shot. John Dronkers, Bob Stanley, and Gene Shofe handle the discus. Others on the team are Burrell Wyle, Jerry Watkins, Earl Vargas, Bill Brewer, Bill Davis, Wayne Leslie, Charles Morgol, Richard Osorio, and Bill Parks. Watch these boys; next year they'll be champions.

The B's are doing very well winning more events than expected; and they show a great deal of promise. The team is composed of Fred Artis, Ellis Artis, Julius Kahn, Barrett Ravenscraft, Jim Reed, Hirschel Spurlock, Yosh Sugiyama, Sulio Takeda, Jim Ushyima, Dave Williams, Bob Muliker, Jim Hashimoto, Bob Belt, Harry Haramki, Bob McShane, Sumion Cortez, and Dale Koby.

TENNIS . . .

The tennis team, under the direction of Coach "Hank" Jones, has not been doing so well due to the small turnout and, therefore, lack of competition.

As yet the team has not won a game in spite of the fact there are two outstanding players in Whitney Reed, a sophomore, and Norman Peterson, a freshman. They proved their worth by their fine playing in the state tournament. The other players are Bob Lagle, Don Ansel, Robin Rosefield, Tom Snyder, Gary Schweitzer, Morris Zielenski, and Dave Clark.

BEVERLY STILES

The Girls' Athletic Association is an organization composed of high-standing gym students who are working for their Girls' Block "A."

Everyday we meet during sixth period. At this time we participate in our favorite individual or team sports. Some of our favorite sports which have been enjoyed for the first time since prewar days are ice skating, crew, horseback riding, and golf.

On Circus Day the Girls' Athletic Association sponsored a fortune-telling booth and sold popcorn. Our other money-making activities include movies, selling decals, and Alameda High pencils. The money earned by these projects is used for our student body meeting entertainment, G.A.A. Spread, officers' pins, etc.

The biggest event of the term is our semi-annual G.A.A. spread. At this time the athletic awards are presented to the girls. The awards consist of the Block "A," winged "A," and crele "A."

The G.A.A. develops good sportsmanship, training in leadership, and ability in a large number of sports.

The one big CSF event of the fall term was a conducted tour through the Alameda Naval Air Station. This included a trip through the Repair and Assembly building, the new wind tunnel building, then an exploring tour aboard the airplane carrier, "Boxer," and the giant Trans-Pacific Clipper "Mars," just before its departure for the Philippine Islands.

The outstanding spring term event was the annual opera party. This year our CSF'ers attended an evening performance of "Aida" and a matinee of "Madame Butterfly."

Our chapter received an invitation to attend a CSF Students' Conference at Fresno on April 12, but due to the necessity of an early departure, only Bonnie and Marjorie Shull, accompanied by their adviser, accepted.

The most enjoyable outing of the year was a hike from Mill Valley to the top of Mt. Tamalpais then down into Muir Woods.

STAR AND KEY HONOR SOCIETY

Through the years the Star and Key Honor Society has sponsored many projects. Numerous meetings, parties, and trips have been enjoyed by the members. The Society has underwritten two student body meetings and presented two noon-time movies.

Membership in this organization requires a "B" average for the previous term. It really must be easy or you wouldn't see all the smiling faces in the above picture. Many of these are life members; they have maintained a "B" average for three consecutive terms or for four non-consecutive terms. Only life members may wear the Star and Key pin.

This group is one of the oldest and largest clubs in Alameda High School. We hope it will become even larger.

LE CERCLE FRANCAIS

The French Club is one of the oldest clubs of A.H.S. and also one of the most interesting. It has some fine members led by President Pat Rivers, and backed by Mme. Lee and Mme. Darison.

At the meetings we suggest and discuss different plans for future entertainment for our members, and ways of raising money for the treasury.

One of the most interesting meetings was our last Christmas party, when we exchanged gifts and ate ice cream. At the end of this meeting we were entertained by Pauline Vigness who sang the Cantique de Noel which was enjoyed by everyone.

Lately we have been discussing plans for the purchase of some pins which would be worn by the members of the French Club.

The new officers will always welcome any student who would like to join the club.

Membership is open to anyone who takes French, will pay a quarter a semester for dues, and can come to the meetings which are held once a month in Madame Lee's room.

LATIN CLUB

As the semester draws to a close, we can look back on the delightful times we, as members of the Latin Club, have had. Our president, Bill Barry, has made the meetings interesting and lots of fun.

We all appreciate the excellent sponsorship of Mrs. Ambrosoli who has done much to make our club a success!

Students past and present are welcome to join. The dues are only twenty-five cents for a semester of fun and enjoyment.

The Spanish Club has just completed a successful year.

Special student talent, found during the Fall term, made it possible to have unusual meetings. Among those who contributed to the programs were Dulcenia and Ortensia Cordova who sang Mexican songs in harmony. Claude Fenner gave an interesting talk, contrasting some of the customs of Alameda High School with those of schools which he had attended in Spanish-speaking countries. Students who presented a Spanish skit were Bob Ynzunza, Bill Williams, and Rudy Multz. Rollin Jensen served as the regular accompanist for the singing by the club members, as well as having given piano solos of Spanish music. The Christmas meeting was the most lively of the year, with its observance of typical Mexican party customs.

The meetings of the Spring term have been entertaining. At one meeting a Spanish-speaking film was shown and at another social meeting Spanish games were played. One of the notable meetings was the one in April with a program in honor of Pan American Day.

The Officers and Members of the Club have worked together to make the year's activities outstanding.

CHEMISTRY CLUB

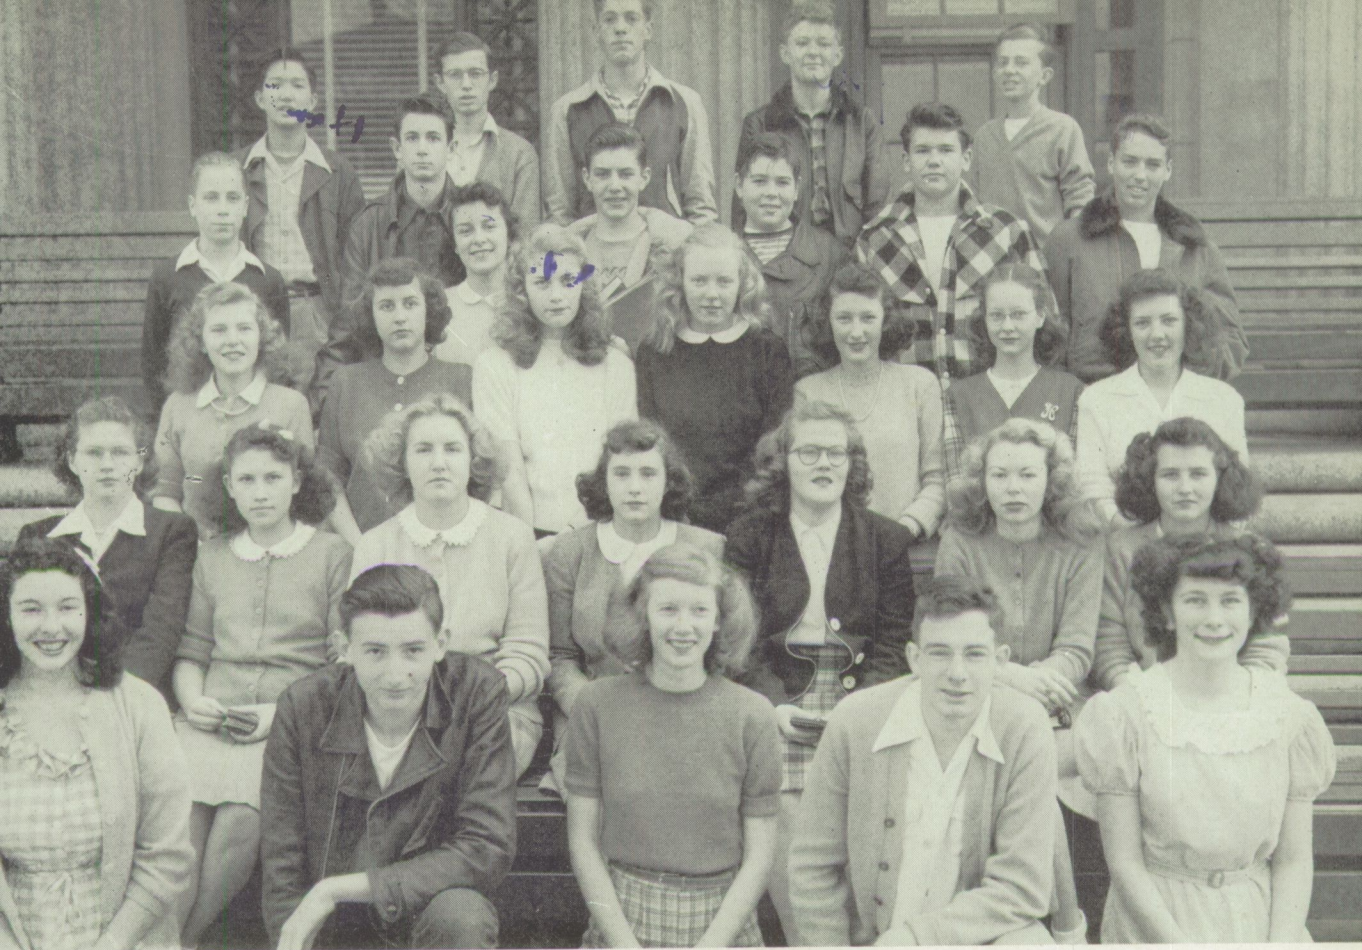

Under the efficient leadership of Bob Swift as president during the Fall term of 1946, and of Seldon Spangler as president during the Spring term 1947, the Chemistry Club has had a very successful year.

Dues for the semester are twenty-five cents and meetings take place once a month. These meetings usually include experiments by various members of the club, refreshments and occasionally an excursion to scientific places of interest. Membership is limited to students who have taken or are now taking Chemistry.

The Alameda High School Chemistry Club is affiliated with Science Clubs of America; and we do all that we can to encourage our excellent students to compete each December in the Science Talent Search conducted by Science Clubs of America and sponsored by the Westinghouse Educational Foundation.

With the help of Mr. Coughlan, the executive committee, and the officers, the Chemistry Club hopes to continue its present activities and many more.

Die Vereinigten Deutschen Studenten

We are all proud of the progress that has been made by "Die Vereinigten Deutschen Studenten" during the past year. We have all enjoyed the sociability of our meetings. The success of these meetings was due to the enthusiastic cooperation of every member. In the past we have presented movies for entertainment and we plan to present one to raise money in the future.

We are all especially grateful to our adviser, Mrs. Ambrosoli, for her guidance and interest; and we appreciate the enjoyable entertainment presented by our members.

GIRLS' ASSOCIATION

The Girls' Association, of which each girl in the Alameda High Student Body is a member, is organized for the purpose of creating common interests among the girls.

The new students are welcomed into the school by the seniors who give a Freshman Reception in their honor. This spring term the theme for the affair was a Gay Ninety Review. The committee, with the help of the girls, managed the decorations and entertainment in a clever fashion.

It is customary for the Girls' Association to entertain the student body with a program. Accordingly this term we presented the Frisco Jazz Band.

Thanks to the cooperation of the girls, the Association has enjoyed a successful spring and fall term, under the capable leadership of Presidents Barbara Krausse and Patt Kirby.

The past term has been a very successful one in the history of the Society. We have added a savings bond to the scholarship fund established to assist members who plan to go on to college, and the membership received a substantial boost when eight girls became eligible at the end of the fall term. Several others are expected to have obtained the necessary twelve hundred points by the end of the present term.

Funds obtained by the Society's fall project—furnishing pompoms for the football season—helped to make possible the formal initiation of new members at the traditional dinner and theater party held in San Francisco. Last term the girls attended a very enjoyable performance of Maurice Evan's "Hamlet."

BOYS' BLOCK "A" SOCIETY

The Block "A" Society, under the capable leadership of Charles Socolosky, has come into its own at last in our school. By providing the students with some noon movies, we have made a tidy little sum. We have also given an athletic show which provided the student body with a humorous and well-liked program. We are also holding an alumni football game at the end of the semester. We expect a large crop of new members to enter at our forthcoming, spring initiation. Our treasury is increasing, and we shall soon be able to attain the position in school we rightfully deserve.

SENIOR OPPORTUNITY DAY

Senior Opportunity Day was successfully held this semester for the low and high seniors on April 23, 1947. The theme chosen was "Which Way Now?" Under the direction of Miss E. Louise Jolly the committee heads presided over the program. The day was divided into groups. The main divisions were as follows: Which Way Now if I want to work with People? . . . Things? . . . Facts and Figures? The groups were addressed by people successful in various vocations or professions. One session was allotted to the marriage problems of young men and women.

The purpose of Senior Opportunity Day is to give the seniors information on the vocational fields which they may enter. This year's program fulfilled this purpose in the usual satisfactory manner.

The General Chairman were Audrey Bessemer and Dan O'Connell. The various committee members were Dean Berg, Margaret Cupid, Lydia De Fonseca, Barbara Fisher, Jackie Garcia, Helen Garner, Jack Grunewald, Jay Helms, Jacqueline Hicks, Edward Leal, Jean McIntosh, Rudolph Multz, Jr., Lawrence Ng, Muriel Ruisinger, Frank Stafford, Warren Storm, and Joan Williams.

TRI-IOTA

The Tri-Iota was organized in April of 1946. Since that time the members and many visitors have enjoyed parties and movies. At one meeting there was presented a young speaker from Mill's College who talked about youth in the world of today, her experiences in the mining states of the east and in England. The talk was followed by a movie and racial prejudices.

The purposes of the organization are expressed in its name. Tri-Iota stands for three I's: international, interracial, and intercultural. The club hopes to make this a better community in the future by helping to make its members more broad-minded toward people of a different nation, race, or cultural background.

Future plans include: taking a trip to Chinatown, hearing a panel discussion on some question of national importance, and writing letters to young people in other countries.

THE MEGAPHONE CLUB OF AHS

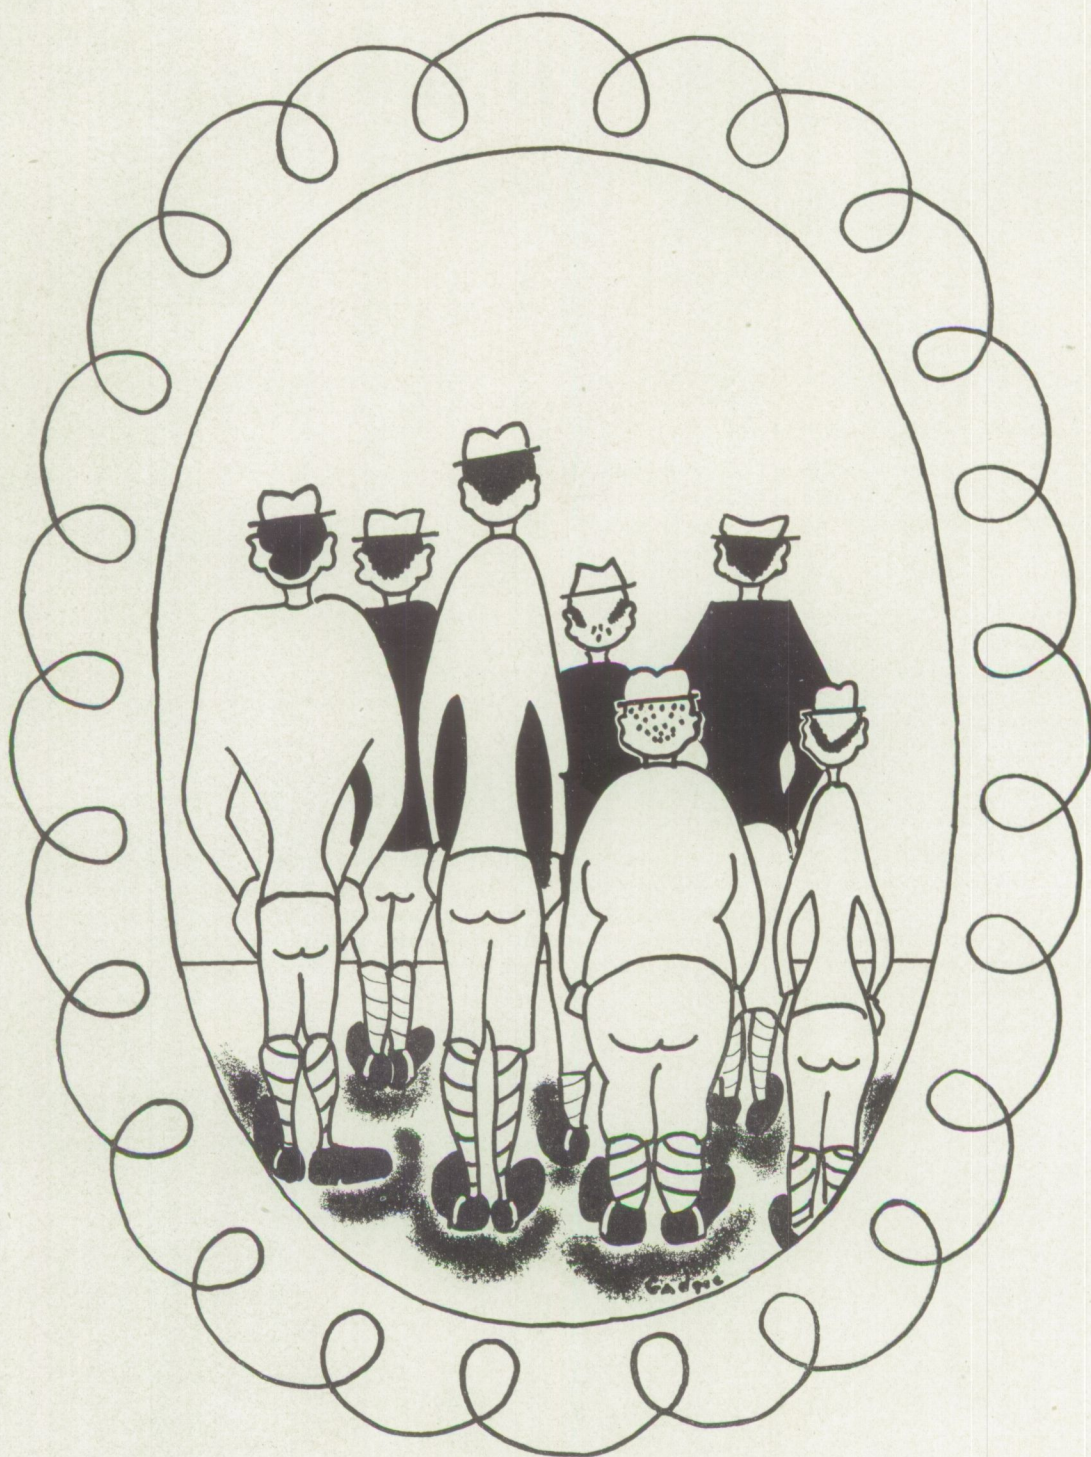

The Megaphone Club was started in the Fall of '46 for the purpose of having a regular cheering section. With the cooperation of the members and Miss Murray, our sponsor, it soared to great heights during the football season. We have made great plans for the coming sports seasons.

"Tiger" Harold, yell leader for the term of Spring '47, introduced many new yells through our organization.

One of our most important plans, suggested by Tiger, is that of the forming the "Hollerin' Fifty." This part of the Megaphone Club will be limited to fifty students who will pledge themselves to go to all the games. Any student who, during the coming term, wishes to join this organization is welcome.

RESERVE OFFICER'S TRAINING CORPS

This year the Cadet Corps, under the very inspiring leadership of Lt. Col. James L. Baker, has intensified its training and added several new theoretical subjects to widen the scope of R.O.T.C. training.

The purpose of R.O.T.C. training is to develop leadership, discipline and make more useful citizens. This is carried on by leadership drill and theoretical classes, such as Military Teaching Methods, World Military Situation, Individual Weapons, Military History of the United States, and others. These classes are conducted by Regular Army instructors assisted by cadet instructors.

For theoretical purposes the Corps is divided into three groups: The First Year which covers elementary courses and orients the Cadet with esprit de corps. The Second Year takes up tactical work, and prepares the cadet for his duties as a Non-Commissioned Officer and Officer. The Third and Fourth year cadets are grouped together for advanced tactical training.

Activities in the Unit include a Sword and Shield Society for Officers and Sponsors and a Non-Coms' Club for Non-Commissioned Officers. There is also a rifle team which is open to all cadets.

On April 17 the Corps made a very interesting trip to the Benicia Arsenal. The all-day trip included a visit to the ammunition dumps, an inspection of the small arms shop, where we observed test firing of various weapons. At the optical shop we were shown how range finders, automatic gun controls and other complicated instruments were repaired. The Benicia Arsenal Fire Department also put on a very snappy fire drill.

We are hoping to obtain honor school rating during our annual Federal Inspection for the eighth consecutive year.

The Sword and Shield Society is an organization composed of officers and honorary sponsors of the Alameda High School R.O.T.C. Battalion. Its purpose is to promote friendship among officers and to provide various social activities for the Battalion during the school year.

The past year has been very successful. One of the outstanding social events was the Military Ball which was held on the 23rd of May. This ball was both a financial and social success.

We wish to thank Col. Baker for his able assistance and time which he has so generously given us throughout the year.

RIFLE TEAM

The Rifle Team this year has proved to be another very good one. It has shown its ability in the three major rifle matches, including the Service Command Intercollegiate Match, the National Intercollegiate Match, and the William Randolph Hearst Match. These matches, especially the National Match, are contests between schools in the United States. Our team has placed well up on the high ten in all these matches. This alone will show you how good this R.O.T.C. rifle team is.

Members of the team are as follows:
